## “Reno Earth Day 2022 Returns to Idlewild Park”

RENO, NV (March 24, 2022) - Reno's 2022 Earth Day Celebration will take place on Sunday, April 24th, 2022 at Idlewild Park from 11am to 5pm. Come kick off the season with the first and biggest, single day event of the year!

Spend the entire day exploring the many educational exhibits, kids' activities, live performances and a host of festive food selections. Collect raffle tickets by riding your bike to the park and bringing your own reusable water bottle.

Ride your bike, walk, bus or carpool to the event! Although there is no public parking within the park itself, there is FREE parking in the Reno High School Parking lot - only one block away with an RTC Park and Ride running from the Courthouse parking lot downtown.
